iRecycle! @ Earth Day at Downsview Park

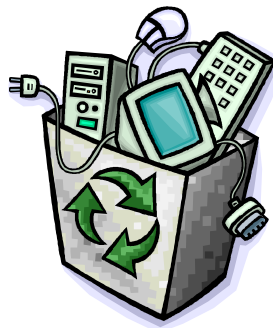

April 20, 2008

11AM-4PM

Rain or Shine

Computer + Electronics Recycling

Help divert electronic waste from landfills! Bring your unwanted computers and electronics to the iRecycle truck onsite at Earth Day at Downsview Park.

ACCEPTED ITEMS:

Desktops
Laptops
Printers and Scanners
Cell phones
Routers (Wired & Wireless)
Digital Cameras
Backup Power Supplies (UPS's)

Monitors (LCD,CRT)
iPods and MP3 Players
Keyboards and Mice
Wires and Cables
Fax Machines
Speakers

All collected materials will be handled by iRecycle Computers. A portion of working items will be used for community workshops to train members of the community basic computer skills. The workshops will teach students to setup and build a working computer. At the end of the workshop, the student can keep the computer they built. All non-working items will be taken to a certified recycling centre for responsible disposal.
